

Promote A Product Using PPT

Xin Feng

Objectives

Attract your potential customers!!!

Key Points to Success

Easy to follow

Easy to understand

Not boring!!!

Presentation Activities

- PPT
- Demo
- Presentation

PPT

- Slides
 - Product
 - Purposes
 - Features
 - Advertising (vantages)
 - Style
 - Slide template
 - Color
 - Organization

PPT

- Good slides
 - Text are in contrast colors and proper font size
 - Slides are organized reasonably
 - Proper template and pictures
 - No too detailed technology introduction
 - Proper number of slides

PPT

- Bad slides
 - Too many text
 - No color
 - Text is not clear
 - Too long or too short
 - Too many detailed technologies

Prepare the slides from the angle of an audience!!!

Demo

- Demo process should be carefully designed
 - Introduce the main key features
 - Design the demo flow ahead
 - Be sure the demo process is fluent and never crash
 - Consider all the possibilities that affect the demo

Demo from the angle of an audience!!!

Presentation

- Interaction
 - Speak clearly
 - Observe audience's responses
 - Try to answer audience's questions
 - Bad cases
 - Read the slides
 - Do not have eye contact with audience
 - Speak too quickly

Rehearsal is a must!!!

Refer to CRA for points!!!
